Mp3-4cf — Sri T. Abdul Rahiman @ Ubeid has applied for an India - Pakistan passport through the Collr. of South Kanara The Collr has reported that the applicant is not an evacuee and he is not involved in any proceedings under the evacuee property law. Further he is an active member of the Muslim League but has not come to adverse notice so far. His character and conduct and antecedents are reported to be good and the Collr has no objection to the grant of passport The applicant is eligible for Indian citizenship as he was at Talangare village (South Kanara Dt) and as he had his domicile in India on the 26th Jan 1950 The Govt of India (Home) has no objection

A/2cf (X) — As regards the fact that the applicant is an active member of the Muslim League, please see G.O No 3080 (Home) dt 22.5.1952. According to the instructions in that G.O there should not be generalised suspicion either against a particular foreign country or countries or against any particular creed or political belief. Further it is in deciding to reject an application, the

P/1cf (X)

Passport issuing authority must satisfy himself that the applicant falls within one of the three following categories

(a) his proposed travel would endanger India's security

(b) the applicant is known to be a person who is likely to vilify India and the Govt of India in foreign countries and

(c) the applicant is known to be a person who is likely to behave in a manner in a foreign country that would lower India in their estimation of foreigners.

The Collr has reported that the applicant has not come to adverse notice so far and that his conduct and antecedents are good. The Collr has no objection to the grant of passport facilities to the applicant.

The applicant's case does not fall under any of the clauses a, b or c stated above. In the circumstances it is for orders whether passport facilities may be granted to the applicant.

Have passports been refused merely because the applicant happens to be a member of the Muslim League. Several applications for the League Conference have come in and the Collr has stated what is normally done.

Ref- DS' query on p 2 ante

Submitted that passports have not been refused merely because the applicants belong to the Muslim league
Please see the rdes at pp 1-3 NF (1)
and the orders of Secretary at p 3 NF (2).
The object of the applicants visit to Pakistan in that case was to arrange the marriage of his son who is in Pakistan. The D.S.P Krishna had reported that the applicants' case appears to fall under sub-paras (a) & (b) of para 1 of G.O Ms 3080 dt 22.8.1952
A restricted passport (valid for a period of two months) was granted to the applicant and the facts of the case were intimated to the Indian High Commissioner at Karachi who was requested to watch his activities in Pakistan during the period of his stay there and report to this Govt if he comes to adverse notice

But in the case on hand the Collr of South Kanara has reported that the applicant Sri Abdul Rahiman @ Ubeid is an active member of the Muslim league in the village but has not come to any adverse notice so far, and that his conduct and antecedents are otherwise good. The Collr and the Supdt of Police Mangalore have no objection to the grant of a passport

In the circumstances it is for orders whether a restricted passport may be granted to the applicant. Intimation of the facts of the case to the Indian High Commissioner at Karachi is perhaps not necessary as the Collr has no objection to the grant of a
